The images below (from **A** to **Q**) were identified as some of the pictures for some study these images and fill the work sheet below them.

common ICTs in our communities. With the help of your life experiences

M

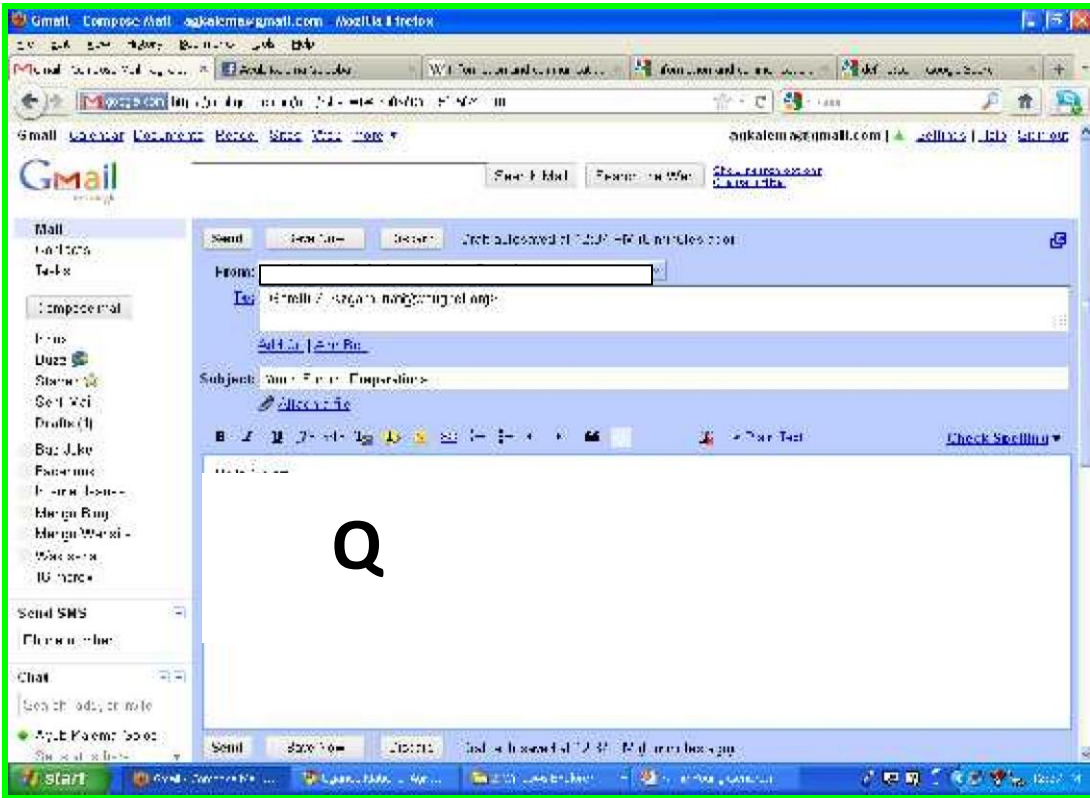

N

O

P

Q

a) In your note book develop a worksheet below such that with the help of your family members give the following information about the above images;

- Image letter
- Image name
- Image characteristics. (Hint: Characteristics are features or traits used to describe something)

My Corona break Activity 1 Worksheet		
Image letter	Image name	Characteristics
A		<input type="checkbox"/>
		<input type="checkbox"/>
		<input type="checkbox"/>
		<input type="checkbox"/>
B Example	Earth Satellite facility	<input type="checkbox"/> They are communication facilities
		<input type="checkbox"/> They use high speed microwaves
		<input type="checkbox"/> Used by telecommunication and security organizations
		<input type="checkbox"/> They are expensive to setup and maintain
C		
D		
E		
F		

b) In a similar way name some other ICTs not given in the above pictures but are very important in our lives. (The more you identify and describe the more scores to get).

~End of activity~
